Key Features

Performance and Efficiency

The 2019 Kia Soul delivers a fun and efficient drive, powered by a fuel-friendly engine that offers up to 31 MPG on the highway. Its smooth handling and compact size make it perfect for navigating city streets and longer road trips alike.

Spacious and Comfortable Interior

Enjoy a roomy, modern cabin with seating for five and ample cargo space. The high seating position provides great visibility, while premium materials and climate control ensure a comfortable ride in any weather.

Advanced Technology

Stay connected with a user-friendly touchscreen display, Apple CarPlay and Android Auto integration, Bluetooth connectivity, and a premium audio system—perfect for streaming music or handling hands-free calls while on the go.

Safety First

Drive with confidence, thanks to advanced safety features such as a rearview camera, stability control, multiple airbags, and smart driver-assist options. The Kia Soul is designed to keep you safe on Atlanta's busy roads.
